Hello, Ron:

I will need more time to review the information that you sent to me. I have been pulled in many directions here on several issues not related to your project. Please let me know a definite date by when you need EPA's input. Thank you. I appreciate your patience.

Ron,

Attached please find the latest design package including the proposed site plan showing both Buildings A & B footprints. I have also attached the sample footing information I have for the modular building(s) previously sent to Alan Gibbs. Call to discuss as needed. Thanks.

Mark.
